

# BACK A BLITZER

*Support your hometown without breaking the bank*

\*\*\*

The players of FC Buffalo are unable to accept payment for their services, so we do everything in our power to provide them a professional experience.

Here's a chance to raise the bar and increase exposure for your business to a fanbase that enthusiastically supports those who support soccer.

Your sponsorship pays for: a player's uniform plus transportation, lodging and meals during extended road trips within the Great Lakes Conference and beyond.

What you get: your name & logo underneath a player's name in our program, web site announcement of sponsorship and a signed/framed action "thank you" photo from your player.

Cost: \$200
